WORKSHOP WILL COVER

Day One: Monotype Basics

Equipment and tools required to do encaustic monotype painting, paper type, texture, quality and absorbency. Managing the plate temperature, drawing-painting with color sticks, mark-making, the use of soft lead pencils, charcoal, rubber tipped tools, implements and scrapers. The additive and subtractive painting process, the monotype finishes and application and health and safety.

Day Two: Emphasis on Creativity:

The use of form, line, shape and value to enhance the painting composition. Monotype cradle finishes, gesso application, paper mounting and medium application. Analyze and Discuss the principles and elements of design as they apply to each artist artwork. More time to paint
